

About the Kansas Nursing Workforce Center

The Kansas Nursing Workforce Center, established in 2023, is based at the University of Kansas School of Nursing and committed to the entire state.

Our mission is to ensure that every Kansan has access to nursing care when and where it is needed and to support the nurse as an individual and as a member of the healthcare team.

The Kansas Nursing Workforce Center produces public-facing reports and develops programs that support the nursing workforce.

Email us: NursingWill@kumc.edu.

© 2026 The Kansas Nursing Workforce Center and the University of Kansas prohibits discrimination on the basis of race, color, ethnicity, religion, sex, national origin, age, ancestry, disability, status as a veteran, sexual orientation, marital status, parental status, gender identity, gender expression, and genetic information in the university's programs and activities. Retaliation is also prohibited by university policy. The following person has been designated to handle inquiries regarding the nondiscrimination policies and procedures and is the Title IX Coordinator for all KU and KUMC campuses: Associate Vice Chancellor for the Office of Civil Rights and Title IX, civilrights@ku.edu, Room 1082, Dole Human Development Center, 1000 Sunnyside Avenue, Lawrence, KS 66045, 785-864-6414, 711 TTY. Reports can be submitted by contacting the Title IX Coordinator as provided herein or using the Title IX online report form and complaints can be submitted with the Title IX Coordinator by visiting the following website: civilrights.ku.edu/how-report.

Help students find their nursing education path.

KansasNursingSchools.com

Help your students find their path to a nursing career.

Nursing is a high demand, high earning field with many points of entry.

It can be confusing if you're trying to guide a student to the pathway that fits their needs, especially when there are more than 40 schools in Kansas!

But we have good news: We are **empowering YOU** to help!

The Kansas Nursing Schools Guide quickly matches students to the Kansas nursing school that fits them best and includes **information about every nursing school in Kansas.**

How do you fit in?

As a high school guidance counselor, you can use the Kansas Nursing Schools Guide to easily help students answer a few questions about themselves and the Guide matches them to nursing schools.

You or your student can have the results emailed for further exploration. Or, immediately contact the matched school(s).

The Kansas Nursing Schools Guide also includes helpful information like:

- Introduction to nursing careers
- Things to consider when choosing a nursing school
- Nursing degree options (there are many!)
- Kansas nursing workforce statistics
- Resources
- **PLUS a comprehensive list of ALL Kansas nursing schools**

About the Kansas Nursing Schools Guide

The Kansas Nursing Schools Guide, created as part of the Kansas Nursing Pathways Project and funded by the Kansas Board of Regents, **helps potential students, their families, and/or guidance counselors decide which nursing school is best for them.** The goal? Increase the number of students attending Kansas nursing schools.

Guide your students to nursing school. **Go to KansasNursingSchools.com.** Follow the drop-down prompts.
